The Directors consider that the Placing represents a good opportunity for the Company to raise additional funds for the business operations of the Group and will strength the Group's financial position, enlarge the Company's shareholder base which may in turn enhance liquidity of the Shares and provide capital to meet any financial obligations the Group may require without incurring the interest expenses involved with debt fund raising.

The Directors consider that the Placing Agreement is entered into upon normal commercial terms following arm's length negotiations between the Company and the Placing Agent and the terms of the Placing Agreement (including the Placing Price and the placing commission) are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.
